United Electric Controls Company
Attn: Anthony Cerminara
180 Dexter Ave.
Watertown, MA 02472
USA

Dear Mr. Cerminara,

FieldComm Group is pleased to inform you that United Electric Controls Company has successfully registered the TCD50. The TCD50 has successfully met all requirements for registration based on the FieldComm Group Quality Assurance and Device Registration Procedure.

Included with this letter is the HART Certificate of Registration that you may use to authenticate your device's registration. United Electric Controls Company is now authorized to use the "HART Registered" mark and terminology in literature, documentation, marketing materials, and markings of the device described on the HART Certificate of Registration. If you have any questions regarding this usage or would like to receive camera ready artwork, please contact us.

In addition to authorizing your use of the "HART Registered" mark, FieldComm Group has identified your device as registered in the HART Product Catalog. Please view the catalog at www.fieldcommgroup.org, under "Technologies".

We would like to remind you that device modifications or revisions may require the resubmission of the device. Please do not hesitate to contact FieldComm Group if you need any clarification of this requirement.

Congratulations and Best Regards,

Ted Masters
President and CEO
